

Westminster Mini-Concert Worship Series: 2019

Westminster has a Heart for Music and our Roots!

Join us for our mini-Concert Worship series on the second Sunday of each month. Skilled area performers bring and share gifts of Old Time Gospel, Bluegrass or just vocal and instrumental excellence with us in a worship service that is both concert and short service of praise and preaching. These services are a gift to share with the whole community. Ya'll Come! We may be Presbyterian, but we know how to tap our toes!
