If you are hoping to search for new relevance and meaning in Christmas this year, or, if you are searching for signs of God's presence,

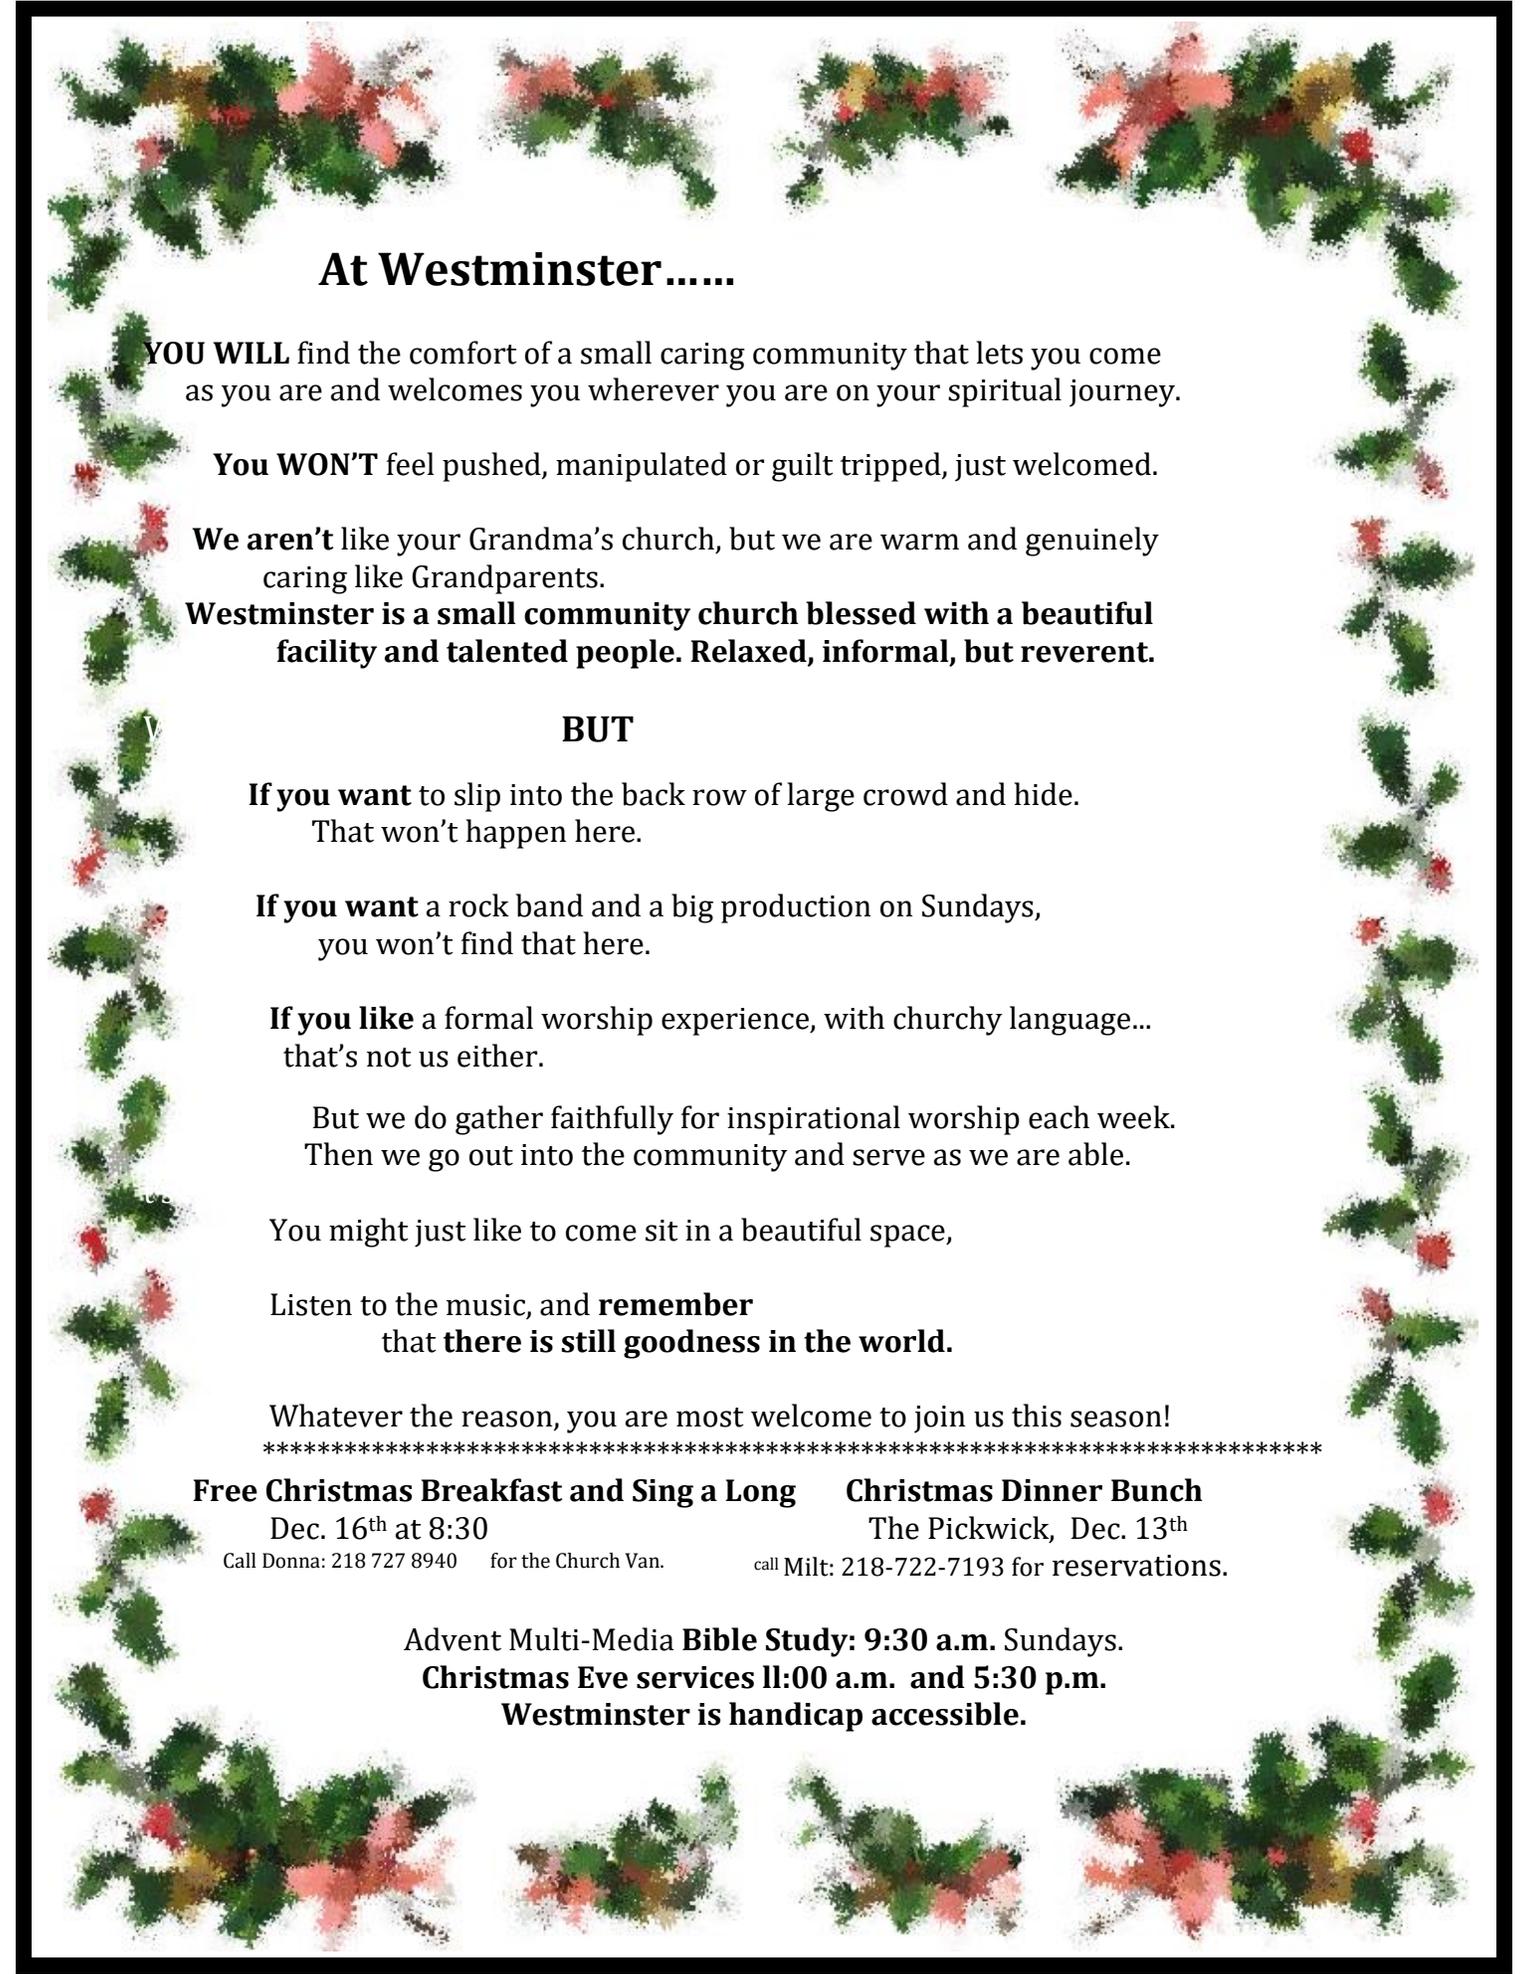

you'll find us good travelling companions!

Westminster is, like many churches, made up of an aging population. But we are new in the area, have a beautiful space to share, warm hearts, and we know how to let newcomers bring change and new life. **Come for the season, or make it your home.**

We have many opportunities for building relationships with each other and with God. **We are real, relevant and open.**

Meet our Pastor! Pastor Carolyn is an energetic, creative, ordained ELCA Lutheran, writer, musician, and passionate Evangelist. She loves hanging out with the Presbyterians! Carolyn has 30 years of parish experience and loves helping people rediscover the joys of faith. Her books on prayer, and Bible studies have been used all over the world. Her books are available at Amazon, including a brand new children's book: [Grandma and the Tiger](#).

At Westminster.....

YOU WILL find the comfort of a small caring community that lets you come as you are and welcomes you wherever you are on your spiritual journey.

You WON'T feel pushed, manipulated or guilt tripped, just welcomed.

We aren't like your Grandma's church, but we are warm and genuinely caring like Grandparents.

Westminster is a small community church blessed with a beautiful facility and talented people. Relaxed, informal, but reverent.

BUT

If you want to slip into the back row of large crowd and hide.
That won't happen here.

If you want a rock band and a big production on Sundays,
you won't find that here.

If you like a formal worship experience, with churchy language...
that's not us either.

But we do gather faithfully for inspirational worship each week.
Then we go out into the community and serve as we are able.

You might just like to come sit in a beautiful space,

Listen to the music, and **remember**
that **there is still goodness in the world.**

Whatever the reason, you are most welcome to join us this season!
